MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Establishment of a Special Security
Policy and Clearance Center

1. This memorandum contains a recommendation submitted for your approval. Such recommendation is contained in Paragraph 4.
2. Reference is made to your three previous memorandums to the Director of Personnel, two of which were dated 10 May and one dated 8 June 1962, concerning the establishment of the Special Clearance Security Control Center which was authorized in a memorandum from the Deputy Director of Central Intelligence to the Director of Security dated 11 April - *secret* 1962. Your memorandums authorized the Director of Personnel to establish thirteen (13) positions for the Table of Organization of the Special Clearance Security Control Center.
3. Subsequent to the approval of the Special Clearance Security Control Center, the Office of Security, through a written agreement between the Secretary of Defense and the Director of Central Intelligence dated 25 April 1962, was assigned responsibility for establishment and implementation of security policy for major programs conducted by this Agency and other Agencies participating in the National Reconnaissance Program. Accordingly, the Special Security Policy and Clearance Center is to be established for this purpose.
4. It is recommended that a Staffing Complement of 32 positions be authorized in accordance with the organizational structure shown in Tab A for the Special Security Policy and Clearance Center. Of the 32 positions requested, 13 have already been authorized for staffing of the Special Clearance Security Control Center. The additional increase in the Office of Security ceiling and staffing complement of nineteen (19) positions is required to fulfill our obligations on behalf of the National Reconnaissance Program.
